Product Lines

Business Machines

Fellowes, Inc. is the global leader in paper shredder design and engineering, providing the highest quality personal and business shredders on the market. That's why they are known as the "World's Toughest Shredders."™ The company is notable for inventing the personal shredder. Fellowes also offers Binding and Laminating Machines and Supplies in addition to a range of Cutter & Trimmers.

Records Storage

Bankers Box® records storage was Fellowes' first product line, and today it remains the dominant market leader. The Bankers Box brand provides unparalleled strength and durability to ensure trouble free storage. Businesses and households look to the Bankers Box brand of records storage products for strength they can count on.

Corporate Fact Sheet

Workspace Accessories

Making work more comfortable and productive is easy with Fellowes' line of office accessories. The product line offers the benefits of good ergonomic principles, space saving design and a comprehensive selection of desk accessories, space organization products, mouse pads and more. Fellowes is also unique for being the only supplier of workspace accessories that feature Microban® anti-microbial product protection

Mobile Accessories

Fellowes is right there with on-the-go consumers. As a Body Glove® licensee, the company meets consumers' needs with a line-up of portable technology accessories including mobile phone cases, hands-free headsets and digital camera cases.
